

PV STREETLIGHTS

PV STREET-LIGHTS

Self powered solar light poles with quick installation times. Our PV Street-Lights are designed to have a life span of over 30 - 40 years. The solar panels are manufactured directly onto the pole structure and the batteries are secured inside the pole structure. Our light poles have a sleek modern look, that can be installed almost anywhere!

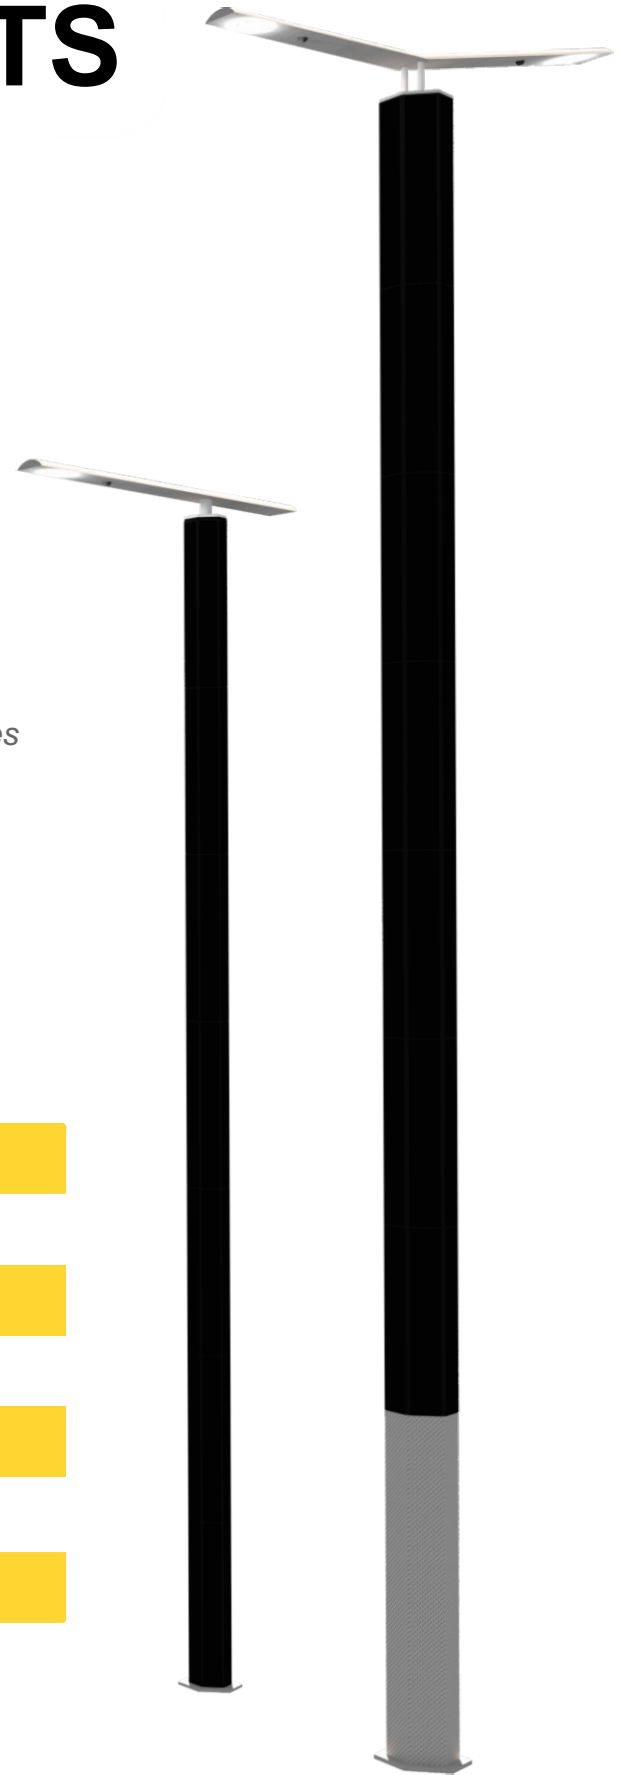

A true economic solution to remote lighting applications.

HIGHLIGHTS

- *BIPV (PV built-in to the pole)*
- *Self-powered with long life energy storage*
- *No trenching or wiring with super quick install times*
- *Emergency lighting that never go out*
- *Remote Monitoring Services*

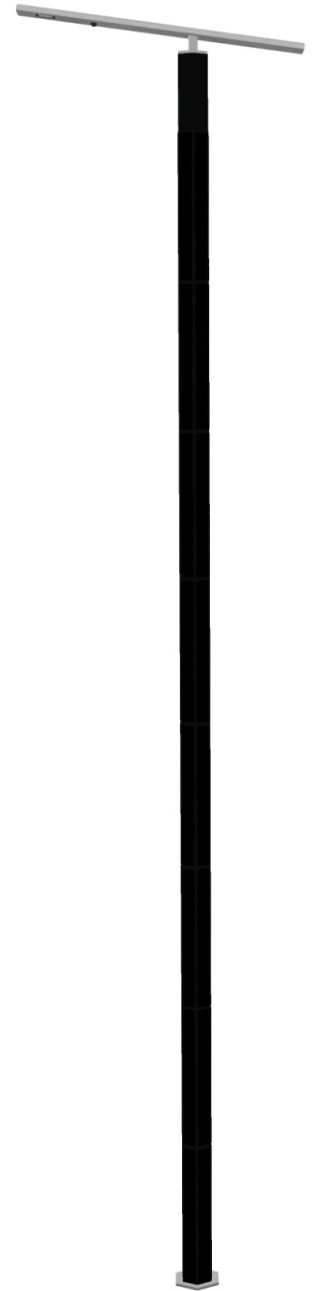

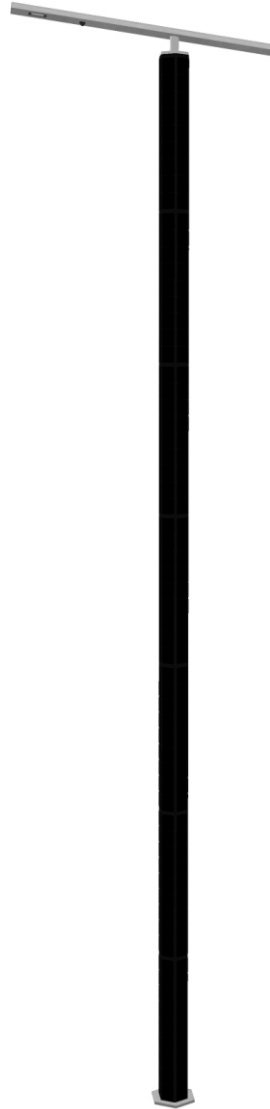

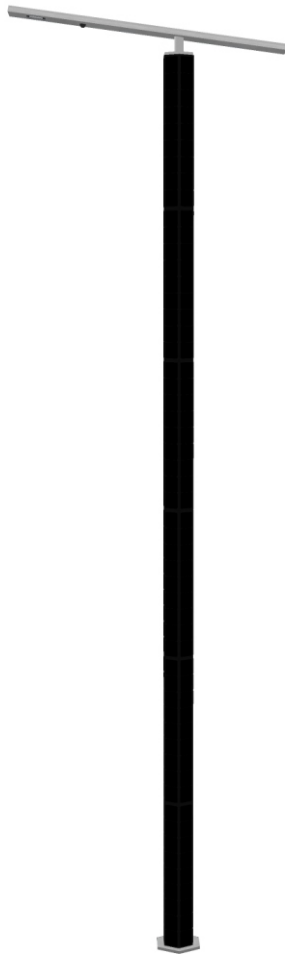

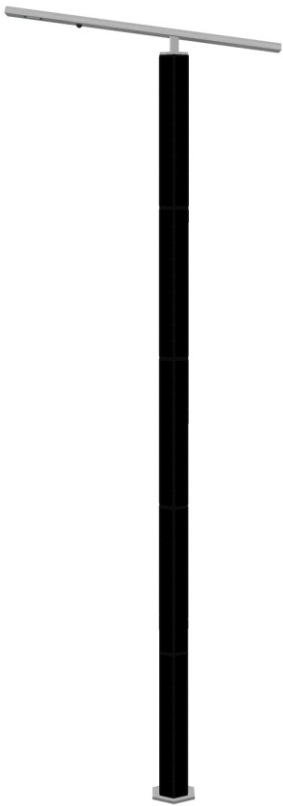

KEY FEATURES

EFFICIENT LED LIGHTING	180 W/L
BATTERY TECHNOLOGY	Carbon Lead
BATTERY LIFE	20+ Years
PV PANEL LIFE	30+ Years
WARRANTY	5 Years
OPTIONAL WARRANTY	10 Year
MONITORING	Internet

SINGLE LIGHTING MODELS

PV STREET-LIGHT

Model: HEX1425S

PV STREET-LIGHT

Model: HEX1430S

PV STREET-LIGHT

Model: HEX1435S

PV STREET-LIGHT

Model: HEX1440S

Lighting

High Efficiency LED: 180L/W
 Battery Voltage: 24VDC
 Rated Load 60W

Lighting

High Efficiency LED: 180L/W
 Battery Voltage: 24VDC
 Rated Load 80W

Lighting

High Efficiency LED: 180L/W
 Battery Voltage: 24VDC
 Rated Load 100W

Lighting

High Efficiency LED: 180L/W
 Battery Voltage: 24VDC
 Rated Load 120W

Pole Specs

Pole Height: 25'
 Pole Width: 14"
 Pole Shaft: A-500 GR. B
 Finish: Tempered Glass

Pole Specs

Pole Height: 30'
 Pole Width: 14"
 Pole Shaft: A-500 GR. B
 Finish: Tempered Glass

Pole Specs

Pole Height: 35'
 Pole Width: 14"
 Pole Shaft: A-500 GR. B
 Finish: Tempered Glass

Pole Specs

Pole Height: 40'
 Pole Width: 14"
 Pole Shaft: A-500 GR. B
 Finish: Tempered Glass

Warranty

Comes with 5 Year Warranty
 Up-gradable to 10 Year Warranty

DUAL LIGHTING MODELS

PV HIWAY-LIGHT

Model: HEX1735D

Lighting

High Efficiency LED: 180L/W
 Battery Voltage: 24VDC
 Rated Load 120W

Pole Specs

Pole Height: 35'
 Pole Width: 17"
 BIPV Solar: A-500 GR. B
 Finish: Galvanized

Warranty

Comes with 5 Year Warranty
 Up-gradable to 10 Year Warranty

PV HIWAY-LIGHT

Model: HEX1740D

Lighting

High Efficiency LED: 180L/W
 Battery Voltage: 24VDC
 Rated Load 140W

Pole Specs

Pole Height: 40'
 Pole Width: 17"
 Pole Shaft: A-500 GR. B
 Finish: Galvanized

Warranty

Comes with 5 Year Warranty
 Up-gradable to 10 Year Warranty

PV HIWAY-LIGHT

Model: HEX1745D

Lighting

High Efficiency LED: 180L/W
 Battery Voltage: 24VDC
 Rated Load 160W

Pole Specs

Pole Height: 45'
 Pole Width: 17"
 Pole Shaft: A-500 GR. B
 Finish: Galvanized

Warranty

Comes with 5 Year Warranty
 Up-gradable to 10 Year Warranty

PV HIWAY-LIGHT

Model: HEX1750D

Lighting

High Efficiency LED: 180L/W
 Battery Voltage: 24VDC
 Rated Load 200W

Pole Specs

Pole Height: 50'
 Pole Width: 17"
 Pole Shaft: A-500 GR. B
 Finish: Galvanized

Warranty

Comes with 5 Year Warranty
 Up-gradable to 10 Year Warranty

PV PATHLIGHTS

PV PATH-LIGHTS

Self powered solar light poles with quick installation times. Our PV Street-Lights are designed to have a life span of over 25 years. The solar panels are manufactured directly onto the pole structure and the batteries are secured inside the pole structure. Our light poles have a sleek modern look, that can be installed almost anywhere!

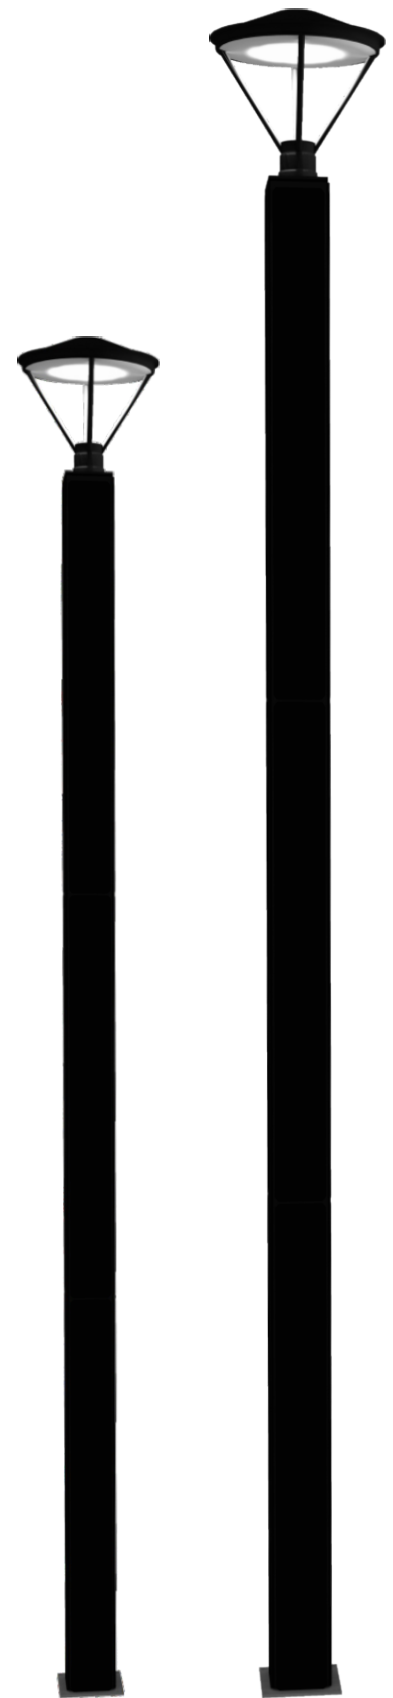

A true economic solution to remote lighting applications.

HIGHLIGHTS

- *BIPV (PV built-in to the pole)*
- *Self-powered with long life energy storage*
- *No trenching or wiring with super quick install times*
- *Excellent for emergency lights that never go out*
- *Remote Monitoring Services*
